MEMORANDUM

To: Members of the Fisheries, Ecology, & Parks Committee
From: Jason Callahan & Jeff Olsen, Committee Staff
Date: April 7, 2004
RE: FEP Committee Sine Die Report

Attached is the final committee report for the Fisheries, Ecology, & Parks Committee. The report summarizes the action that was taken on all bills assigned to the committee during the 2004 session. The information is presented in three chapters: the bills reported from the committee that passed the Legislature, the bills reported from the committee that failed to pass the entire Legislature, and those bills not reported from the committee.

Each year the committee staff prepares this report for the members of the committee for your reference. If you have any questions, please do not hesitate to contact the staff.

Thank you.
